

CrediDisc

Two million credit report summaries at your fingertips.

FOR A FAST OVERVIEW OF A COMPANY'S CREDIT PICTURE, CREDIDISC CD-ROM FROM EQUIFAX IS THE ANSWER. SUMMARY CREDIT REPORTS ALLOW YOU TO QUICKLY AND EASILY ASSESS AND ACT ON THE RISKS ASSOCIATED WITH YOUR CUSTOMERS AND PROSPECTS ANYTIME, DAY OR NIGHT. THE CD IS UPDATED FOUR TIMES A YEAR TO ENSURE YOUR DECISIONS ARE BASED ON ACCURATE, UP-TO-DATE INFORMATION.

Important Benefits

- Every report has a reliable, proven, risk score and payment score
- Reduce costs associated with risk determination by implementing this low-cost, high volume service
- Improve your effectiveness by evaluating a customer's payment habits before making a collection call
- Increase your knowledge of accounts by quickly checking names and addresses, identify companies with multiple locations or multiple affiliations
- Make account surveillance cost effective; you can update paying habits and verify trade rumours
- Save time and effort by pre-screening prospects to determine if they meet your credit standards prior to a sale being initiated
- Quickly obtain customer phone numbers and fax numbers

Screen and update your new and existing accounts quickly and cost effectively.
